Old Fashioned Horehound Drops

A fresh lot of them received just in time to nip a number of incipient coughs in the bud. Our Horehound Candy is the kind that has the real horehound in it—the kind grandmother used to make. Tastes far better than artificially flavored horehound candy and does something the common kinds cannot do—stops coughs. Excellent for hoarseness, rawness of the throat and other conditions resulting from the cooler weather. Any amount from a nickle's worth up.
